Support the Loudoun County Chapter of the "Beat the Odds" Program!

The Loudoun Bar Foundation proudly supports the Beat the Odds® program for Loudoun County youth, a scholarship program designed to reward the achievement and success of at-risk youth in the community. Beat the Odds® scholarships are awarded to youth who have overcome significant life obstacles by rising above such issues as poverty, abuse, family breakup or substance addictions. The financial awards are given to assist deserving students in pursuing their goals for either college education or vocational training.

Loudoun's program identifies and awards scholarships to youth who have received services from local agencies such as the Department of Family Services, Juvenile Court Services, Loudoun County Department of Mental Health, Mental Retardation and Substance Abuse. The Loudoun Beat The Odds® committee selects and honors students who pursue academic excellence, serve their family or community, and have the strength and determination to "beat the odds."

The Loudoun Beat the Odds® Committee is composed of volunteer individuals drawn from several community stakeholder agencies to include: the Loudoun County Sheriff's Office, the Office of the Commonwealth's Attorney, the Office of the Public Defender, Loudoun County MH/MR/SA, the Juvenile Court Services Unit and the Department of Family Services.
